

Course Lecture PDFs

To make it easy for you, I've consolidated all of the lecture presentations into section PDFs, which are attached to this lecture as a downloadable ZIP file. Once you download and open the **Course Lecture PDFs.zip** file, you'll see that everything is organized in separate folders by section:

-  Section 1 - Course Introduction
-  Section 2 - Understanding Risk
-  Section 3 - Why We Need Risk Management
-  Section 4 - Risk Identification
-  Section 5 - Risk Assessments
-  Section 6 - Risk Responses
-  Section 7 - The Risk Register
-  Section 8 - Risk Monitoring & Control
-  Section 9 - Why Risk Mgmt Fails
-  Section 10 - Conclusion & Next Steps
